~~100.00 OP~~

While most of the requested corrections are believed to be self-explanatory, Patentees submit the following observations on the correction requested to col. 20. The change in col. 20, although it involves the insertion of a number of words into Claim 34, is

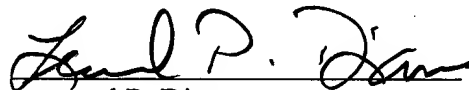

**DEC 18 2006**

merely intended to correct a typographical error made at the time that claim was presented, and specifically, to conform its language to that of corresponding method Claim 19 (in col. 18). Accordingly, this correction is not believed to change the meaning or scope of Claim 34 as intended by Patentees and understood at the time of allowance by the Examiner.

Accompanying this letter is a check for \$100.00 to cover the statutory fee for such Certificate of Correction.

Patentees' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.
